RIGHT-OF-WAY ENCROACHMENT AGREEMENT

WHEREAS, the La Belle Maison Place Property Owners Association, hereinafter referred to as "Association," are the owners of property known as La Belle Maison Place Subdivision, as more particularly described by plat recorded in Plat Book 94, at Page 24 in the Office of the Chancery Clerk of DeSoto County, Mississippi, located in Section 34, Township 1 South, Range 6 West, DeSoto County, Mississippi, hereinafter referred to as "the Subdivision", and

WHEREAS, the afore referenced subdivision gains access via a publicly owned and maintained loop street off of MS Highway 305, and

WHEREAS, the Association is responsible, subject to the rights of the governing authority, for the non-paved portions of rights-of-way of streets or roads that abut Association property, and

WHEREAS, the Association desires to construct an accessory structure (wrought iron fencing) which will encroach upon the City's right-of-way along the primary access road, and

WHEREAS, the Association desires to add a four-foot tall wrought iron fence from the subdivision wooden out-boundary fence, across the adjacent street right-of-way, to the curb line of the street, with the incorporation of two pedestrian gates providing access to the public sidewalks. The Association has proposed to keep the gates across the roadway in a fixed, open position, thereby serving an aesthetic function only, and

WHEREAS, the City Engineer is of the opinion that the improvements pose no hazard to vehicular traffic and, most likely, will not interfere with future road expansion, and

WHEREAS, the City is willing to permit the encroachment under certain conditions.

AND NOW, in consideration of the terms and recitals set forth herein below, the parties hereto agree as follows, to wit:

- 1. The Association be, and it is hereby authorized to construct the above-described improvements in the road right-of-way of La Belle Maison Subdivision at this time.
- 2. Any maintenance on, or repair of, the improvements shall not interfere with, or cause any hazard to traffic on public rights-of-way within said subdivision.
- 3. The City shall have no responsibility for the maintenance of the improvements.
- 4. The City shall have the right to remove, or require the Association, or its incorporated successor in title to any affected property within the Subdivision, to remove the improvements at any time with or without notice, and without compensation to the Association or any successors in title to the Subdivision, or any lots located therein.
- 5. This Agreement shall be recorded in the Land Records in the Office of the Chancery Clerk of DeSoto County, Mississippi and shall run with the land.
- 6. The Chancery Clerk is hereby requested to make a marginal notation on the above-referenced subdivision Plat, noting the existence of this Agreement.

SO AGREED, this 19 day of August, 2008.
